ATKINSON HEARD FROM

A wireless from Secretary Atkinson
was received this morning by James
Lloyd of the Secretary's office. It asked
him to telegraph to Kealia the date of
the arrival and departure of the
transport Sherman. Lloyd replied with
a wireless to the effect that the Sher-
man arrived last night and was leaving
tonight.

LAHAINA, May 5.—The Presbytery

sions of the Sunday School Association

Among the prominent pastors present
were Revs. O. P. Emerson, E. S. Timo-
teo and S. Kapu. Mr. and Mrs. Em-
erson have decided to remove from Hon-
olulu to Maui. For the present they

will probably reside at Makawao, but
may eventually establish their home
at Waiuku.

SHERMAN HAS AN
INTERESTING SET

TRANSPORT ARRIVED LAST
EVENING FROM PHILIPPINES
WITH MANY PASSENGERS.

The transport Sherman, Captain
Brugiere, arrived last evening from
the Philippines. The vessel left Manila
April 15 and Nagasaki April 22. She
experienced pleasant weather during
the trip. She is crowded to overflow-
ing with passengers, the officers of the
vessel having, in many instances, to
give up their quarters to women pas-
sengers.

During the voyage Sergeant Frank
J. Wissell of the Marine Corps and
Private T. Thompson of the 11th In-
fantry died. Both were insane and were
being taken back to the insane hos-
pital on the mainland. Their bodies
were embalmed. On the outward trip
Charles Toussaint, a wheelman of the
vessel, died of pneumonia.

There are quite a number of well
known people aboard the vessel. The
headquarters and band and a number
of companies of the 25th Infantry are
aboard the vessel going home. The reg-
iment will be assigned as follows:

Headquarters and six companies at
Fort Douglas, Utah; four companies at
Fort Bliss; one company at Whipple
Barracks; one company at Fort Duch-
esne, Utah. The regiment has spent
considerable time in the much needed
performance of road building on the Is-
land of Panay.

Previous to the departure of the ves-
sel from Manila the 25th regiment was
given a fumigation. It was well that
they got it at the hands of the health
authorities, for certain of the officers
are declared by others aboard the
vessel, to have shown a hatred for
soap and water that is equaled only by
the Devil's dislike of Holy water. The
watchers declare that some of them are
fierce in their carelessness.

Colonel Benjamin C. Lockwood is the
commander of the regiment.

Captain Madden, the adjutant of the
regiment, figured as a principal in a re-
cent action for divorce in San Fran-
cisco.

Colonel Robinson, who was the depot
quartermaster at this place some years
ago, is a through passenger for home,
accompanied by his wife.

Lieutenant Haskell was in the Rough
Riders and was badly wounded at San
Juan Hill. He was also wounded at
Las Guisimas.

Lieutenant Epley is another San Juan
Hill veteran.

Mrs. Burrell is the wife of the captain
of the U. S. S. Battleship Oregon.

Lieutenant J. F. Thompson is a naval
officer returning home from service
with Admiral Evan's fleet.

The 25th Regiment has been stationed
at Iloilo. The men on the transport
declare that the band with tears in its
voice played "The Girl I Left Behind
Me" when the regiment sailed from
that place, as every man in the reg-
iment left a sweetheart behind him.

There are other soldiers and some
marines aboard the vessel.

The 66th and 67th Companies of Coast
Artillery which have been stationed at
Camp McKinley for some time, will
depart for San Francisco on the Sher-
man. They are to be relieved here by
two other companies coming on the
transport Thomas from the mainland.

The sailing of the Sherman has not
been determined. If the Thomas is
sighted before 5 o'clock this afternoon
the Sherman will sail at 6 p. m. today,
but if the Thomas is not reported up to
5 p. m., the Sherman will sail at 10 a.
m. tomorrow for San Francisco.

MAKES SHORT STAY

The S. S. Aorangi arrived this morn-
ing from Victoria and Vancouver after
an uneventful voyage. She left Van-
couver April 29 and Victoria the fol-
lowing day. Good weather was ex-
perienced during the trip. The ves-
sel arrived in port and was docked a
little before 3 o'clock. She sailed for
Suva, Brisbane and Sydney at 11
o'clock, making the shortest stop that
any vessel has probably ever made
in Honolulu. She brought four pas-
sengers for this port. Andrew Brown
was among those who departed on the
vessel from Honolulu. He goes to Aus-
tralia on a visit.

**MORE TROUBLE
FOR EDITOR TESTA**

POST OFFICE DEPARTMENT MAY
DENY MAIL PRIVILEGES—ANOTH-
ER INDICTMENT THREATENED.

The matter of some recent publica-
tions in the Independent which are al-
leged to be unfit for transmission
through the mails has been submitted
to the Postmaster General of the United
States, for his decision as to whether
the paper should be denied mail privi-
leges. Since Editor Testa's conviction
of sending obscene matter through the
mails the paper has published another
article which it is said the next federal
grand jury will take up, the article be-
ing alleged to be such as the statutes
prohibit the mailing of.

The postmaster general's report on
the proposition will deny mail privi-
leges to the paper, if in the opinion of
the department its character is such as to
make it unfit. The paper is at present
entered as second class matter as are

A GOOD ACTOR.

There was a good laugh at Thursday
night's presentation of the "Ahkond of
Swat," when "Lord Algernon Montague
de Lumley" came on the stage carrying
a dog in a shawl strap. The dog seem-
ed to enjoy it, and when "Lord Alger-
non" set him down he complacently
walked toward the footlights and stood
there looking at the audience as calmly
and demurely as can be imagined. The
dog belongs to Mrs. H. W. Lake, and is
a most intelligent little animal, and a
good actor.
